# CSAF highlights strength of partnerships at Singapore International Airshow 18

By Headquarters Pacific Air Forces Public Affairs

2/7/2018 - CHANGI INTERNATIONAL AIRPORT, Singapore — Gen. David Goldfein, U.S. Air Force chief of staff, spoke of the strength of regional partnerships at the opening day of the Singapore International Airshow at the Changi Exhibition Centre Feb. 6.

Scheduled to last through Feb. 11, the airshow is the largest defense exhibition and biennial international trade and airshow in the Pacific with approximately 50 nations and foreign delegations and 1,000 defense contractors participating.

In addition to Goldfein, Gen. Terrence O'Shaughnessy, Pacific Air Forces commander, and Heidi Grant, Deputy Under Secretary of the Air Force, International Affairs, comprised the U.S. Air Force delegation.

Goldfein met with various counterparts, Airmen and industry leaders during his 3-day visit to the airshow. The event allows senior Department of

Defense leaders to meet with regional counterparts to strengthen security ties. In addition to the interactions of with regional partners and allies, it gives Airmen, Sailors and Marines an opportunity to interact with the public.

"Our service members here at the Singapore Airshow have a distinct opportunity to interact," said Goldfein. "They're not only showcasing who we are as a military, but they have a chance to help mold the future of our militaries just by interacting with our younger generations. Even though they may interact with a child for a short amount of time, that child may grow up to replace us, whether it's in the U.S. military or in the Singapore military."

Appearing for the first time at the airshow, the U.S. Marine Corps F-35B Lightning II is expected to be a popular display, along with the F-22 Raptor. In addition to the 5th generation fighters, the C-17 Globemaster III, E-3B Sentry, KC-135 Stratotanker, RQ-4 Global Hawk, B-52H

Gen. David L. Goldfein, U.S. Air Force chief of staff, Gen. Terrence J. O'Shaughnessy, Pacific Air Forces commander, and Heidi H. Grant, Deputy Under Secretary of the Air Force, International Affairs, receive a demonstration of a display during the 2018 Singapore International Airshow, Changi Exhibition Centre, Singapore, Feb. 6. During their visit to the airshow, Air Force leadership took part in the opening ceremony and met with regional partners and allies. The airshow is a biennial event and is the largest defense exhibition and biennial international tradeshow in the Pacific. This year's exhibition will be the 6th iteration since its inception in 1996.

Stratofortress, P-8 Poseidon, AH-6 Little Bird, F-16 Fighting Falcon, and F-18 Super Hornet will be providing static displays or aerial demonstrations during the event.

Through participation in airshows and regional events, the U.S. demonstrates its commitment to the security of the Indo-Pacific region, promotes interoperability, displays the flexible combat capabilities of the U.S. military,

and creates lasting relationships with international audiences to strengthen the bonds that support partnership building throughout the Indo-Pacific region.

"We are looking for every opportunity in our partnerships where we can find common interests, and have our militaries continue to support one another as we strengthen our partnerships through airshows like this," said Goldfein.

# AF streamlines voting program to help optimize Airmen's core missions

By Richard Salomon

Air Force's Personnel Center Public Affairs

2/6/2018 - JOINT BASE SAN ANTONIO-RANDOLPH, Texas — Air Force officials recently released guidance that streamlines the organizational structure and functions of the Air Force Voting Assistance Program.

A November 2017 Air Force guidance memorandum realigned the program under installation Airman and Family Readiness Centers, thereby eliminating voting assistance officers as an additional duty at Air Force units. The move is part of an

Air Force-wide effort to reduce Airmen's additional duties so they can more effectively focus on their core missions.

The Air Force Voting Assistance Program ensures Airmen, their eligible family members and overseas U.S. citizens are aware of their right to vote and have the necessary tools and resources to do so worldwide. Program representatives assist with voter registration and absentee ballots, coordinate voting awareness campaigns and answer various voting questions.

"Having the Voting Assistance Program knowledge base

located at the Airman and Family Readiness Centers makes it more convenient for Airmen to get the information they need since they already attend mandatory arrival and departure briefings there," said Kelly Weakly, Air Force Voting Assistance Operations Program Manager at the Air Force's Personnel Center.

Airmen are also required to attend pre- and post-deployment briefings at their installation Airman and Family Readiness Centers if they are deploying for six months or more. Before deploying, voting assistance officers remind Airmen to update their

temporary address (deployed location) and obtain an absentee ballot in case there is an election while deployed.

Deploying Airmen also receive a Federal Post Card Application that can be used to register to vote, request an absentee ballot and submit a change of address to local election officials. During their reintegration brief, voting assistance representatives remind Airmen to change their address back to their home address to ensure they receive their absentee ballots at the correct location.

In addition to deployments, active-duty Airmen are also

required to check into the centers when separating from the service or retiring.

"During each of these touchpoints, we provide Airmen voting forms and an information sheet to make the voting process as easy and convenient as possible," Weakly said. "Our goal is to ensure our active-duty members and their families are fully informed and can exercise their right to vote."

Visit AFPC's Air Force Voting Assistance page or go to the Federal Voting Assistance Program's web site at <https://www.fvap.gov/> for more information.

# Modernized Move.mil website launched

**By Maj. David L. Dunn**  
 U.S. Transportation Command  
 2/2/2018 - SCOTT AIR FORCE BASE, Ill. — U.S. Transportation Command, in partnership with the Air Force Digital Service, recently launched a modernized version of the Move.mil website, the Department of Defense's official portal to prepare for service members' upcoming household goods move.

more efficient and effective process for relocating the Department of Defense's most precious resource, our military and civilian personnel and their families," said Army Col. Ralph A. Lounsbrough, USTRANSCOM chief, personal property program. "Enhancing the customer experience is our top priority."

According to Lounsbrough, Move.mil was built and designed in close collaboration with military members, civilian employees, and their families to ensure the site provides the most up-to-date information and resources to assist with their moves.

The goal of the improved site is to provide a significantly better user experience to customers during relocations across the globe. "Improvements to Move.mil are an important step in our efforts to build a

plan for their next move," said Lounsbrough. "You can estimate the weight of your household goods to avoid overage charges, there is a personally procured or do-it-yourself move calculator to help families take advantage of government incentives to plan your own move, current service-specific information, and a comprehensive list of top tips and answers to frequent questions from experienced movers."

These new tools are the first of many that will roll out onto the site throughout the rest of 2018.

# Bonhomme Richard arrives in Okinawa, Embarks 3d Marine Division Marines

**By Mass Communication Specialist 2nd Class William Sykes**

USS Bonhomme Richard (LHD 6) Public Affairs 2/6/2018 - WHITE BEACH — The Amphibious assault ship USS Bonhomme Richard (LHD 6) arrived at White Beach, Okinawa to embark Marines assigned to 3d Marine Division (3d MARDIV), Jan. 31, in preparation for Exercise Cobra Gold 2018.

While in port, Bonhomme Richard will embark 3d MARDIV personnel, vehicles and equipment before continuing a scheduled patrol in which the team will participate in the multilateral exercise.

Bonhomme Richard, along with embarked MH-60S Sea Hawks, assigned to the “Sea Knights” of Helicopter Sea Combat Squadron (HSC) 22, departed from Sasebo, Japan, Jan. 23.

“I am looking forward to embarking our 3d MARDIV counterparts and kicking off Cobra Gold,” said U.S. Navy Capt. Larry McCullen, commanding officer of Bonhomme Richard. “With our embarked surface units and aviation squadrons, Bonhomme Richard’s crew and the Blue-Green team provide a wide range of capabilities for any type of mission. This is what we train for, and working together with our allies will give us the opportunity to demonstrate our numerous capabilities as a warfighting ship and amphibious force.”

During the transit from Sasebo, Bonhomme Richard embarked aviation units that will form the Aviation Combat Element of a Marine Air Ground Task Force. Embarked assets include AH-1Z Vipers, assigned to the “Gunfighters” of Marine Light Attack

Helicopter Squadron (HMLA) 369, and CH-53E Super Stallions, assigned to the “Wolfpack” of Heavy Marine Helicopter Squadron (HMH) 466. Additionally, landing craft air cushions (LCACs) of Naval Beach Unit 7 are embarked to provide a seaborne ship-to-shore capability.

Prior to arriving at White Beach, Bonhomme Richard conducted multiple shipboard certifications, gun exercises and combat systems test fires, to include a pre-aim calibration fire (PACFIRE) and a towed drone unit (TDU) exercise with the MK 15 close-in weapons system (CIWS).

“We have the ability to engage air targets as well as surface contacts,” said Fire Controlman 2nd Class Alexandria Ricalde, from Roy, Wash. “During the PACFIRE, we shot the “killer tomato” [a balloon-like gunnery target], and that was to test our surface shoot, whereas the

TDU [a missile-shaped target towed by an aircraft] fire was to test our air capabilities.”

Testing CIWS ensures that the system will track and fire with precision when called into action as a defense against inbound air and surface threats, said Ricalde.

Bonhomme Richard and the embarked Marines are scheduled to train alongside Royal Thai Armed Forces counterparts in the annual exercise Cobra Gold and serve as a ready-force for any type of contingency while on the multi-month patrol.

Cobra Gold is the largest theater security cooperation exercise in the Indo-Asia-Pacific region and is an integral part of the U.S. commitment to strengthen engagement in the region. The exercise is designed to advance regional security and ensure effective response to regional crises by exercising a robust multinational force from nations sharing common goals.

## SGLI Online Enrollment System (SOES) Implementation

The Air Force's 12-month implementation of SOES will continue through July 31, 2018. During your birth month, all Airmen (officer and enlisted) will update their SGLI/FSGLI election option, validate coverage level and add beneficiary information. Also, prior to deployment, and in some instances prior to retirement or separation, if applicable. You will receive a message. More information is available at the Kadena MPS site.

## How to File a Complaint with IG

If you believe you are unable to resolve your complaint through supervisory channels, you may seek IG assistance to determine if the complaint should be filed with the IG. You can file a complaint if you reasonably believe inappropriate conduct has occurred or a violation of law, policy, procedures, or regulation has been committed. Complete the personnel data information on an AF Form 102 and briefly outline the facts and relevant information related to the issue or complaint. List the allegations of wrongdoing briefly, in general terms and provide supporting narrative detail and documents later, when interviewed by an IG person. Allegations should be written as bullets and should answer who committed the violation; what violation was committed; what law, regulation, procedures, or policy was violated; when did the violation occur. Help is available: Call your Kadena IG office at 634-7622 for Maj. Sarabia or 634-1109 for Mr. Lovingood, or leave a message on the Kadena Fraud Waste & Abuse (FWA) Hotline at 634-0404.

## Kadena Lodging Shortages

Kadena Lodging is in a compressed state for availability of rooms. We anticipate limited to no space for the next 10-12 months. We will make our very best effort to support your needs based either on base if we have it or through certificate of non-availability and a recommended off base hotel list. Contact 632-1010 "Reservations" for more information.

## 18th MDG Clinic Closures

The Kadena Air Base clinic will be closed on the following dates this year:  
Feb. 15 (MDG Training Day) Closed ½ Day

Feb. 19 (Washington's BDay) Closed All Day  
Feb. 20 (5th AF Family Day) Closed All Day  
The 18th Medical Group is responsible for ensuring the 18th Wing's medical readiness in support of the United States' and Japan's mutual interests. In keeping with this mission, the Kadena Clinic will be participating in 18th Wing upcoming exercises. During exercises, our normal patient care and clinical services (pharmacy, lab, immunizations, etc.) will be impacted, as the clinic may be closed for one day during these exercises (exact dates subject to scenario). We ask for your patience as our trusted professionals exercise their skills and work with the Wing and other agencies on island in support of these training events. We apologize for any inconvenience that this may cause. As always, in the event of an emergency, seek emergency services at the U.S. Naval Hospital on Camp Foster, or by dialing ambulance services at 634-1796 or by cell phone 098-934-5911. For more information, contact Capt. Jennifer Stark at 630-4565, Staff Sgt. Larissa Palmer at 630-4504, or Ms. Melissa Cook at 630-5050.

## 18th Wing Equal Opportunity

Do you face concerns of unlawful discrimination or sexual harassment? If so, Kadena Air Base leadership maintains a strict "zero-tolerance" policy pertaining to discriminatory behavior. If you feel you are being unlawfully discriminated against, to include sexual harassment, take action. We encourage members to use the chain of command first to resolve issues at the lowest level. However, you can also contact the EO office at 634-2571 to set up an appointment; or you may visit our office. Please note that the EO office will not accept a Formal Complaint more than 60 calendar days for military and 45 calendar days for civilian complaints after the alleged offense occurred without sufficient justification.
